

FISCAL NOTE

HB 1925 - SB 1895

March 15, 1997

SUMMARY OF BILL: Requires counties to adopt base personnel policies, to be reviewed by an attorney and filed with the county clerk on or before December 31, 1997. The bill does not apply to counties with population greater than 800,000 or to counties with a metropolitan form of government.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

Assumes that the requirement to have such base policies reviewed by an attorney would not generate significant additional expenditures, since the bill allows for the review of such policies by the county attorney, and it is assumed that in most counties, this would be the case.
